

# Bautista Simona

## Malbec Traditional 2009

### The Creation:

Composed of 3 Malbec Vineyards from properties owned by Simona Moenaert Winery in Mendoza. "Parcel 56" is 70% of the blend from a vineyard in the Uco Valley (20 year old vines) at 4,300 feet above sea level. This parcel is used for concentration of flavors, deep and intense colors, and density in the structure. "Parcel 430" is 20% of the blend and the vineyard is located in Lujan de Cuyo (60 year old vines). The parcel's main characteristics are used to give the wine an elegant and balanced mouthfeel. Finally, "Parcel 120" is the last piece of this creation with 10% of the blend from another vineyard in Lujan de Cuyo (80 year old vines). This parcel expresses the aromas, complexities and minerality found in the wine.

Aged 4 months in French Oak barrels (Second use)

### Winemakers Tasting notes:

Bright red color with purple tones, balanced texture and rounded tannins on the palate. Notes of cassis, plums and cherries blended with floral hints of violets on the nose. Fresh and vibrant finish.
